AMENDMENT NO. 8 OFFERED BY MR. TRAFICANT

Mr. TRAFICANT. Mr. Chairman, I offer an amendment.

The CHAIRMAN. The Clerk will designate the amendment.

The text of the amendment is as follows:

Amendment No. 8 offered by Mr. TRAFICANT:

At the end of the bill, add the following new sections:

SEC. 4. COMPLIANCE WITH BUY AMERICAN ACT.

No funds authorized pursuant to this Act may be expended by an entity unless the entity agrees that in expending the assistance the entity will comply with sections 2 through 4 of the Act of March 3, 1933 (41 U.S.C. 10a-30c, popularly known as the "Buy American Act").

SEC. 5. SENSE OF CONGRESS; REQUIREMENT REGARDING NOTICE.

(a) PURCHASE OF AMERICAN-MADE EQUIPMENT AND PRODUCTS.—In the case of any equipment or products that may be authorized to be purchased with financial assistance provided under this act, it is the sense of the Congress that entities receiving such assistance should, in expending the assistance, purchase only American-made equipment and products.

(b) NOTICE TO RECIPIENTS OF ASSISTANCE.—In providing financial assistance under this Act, the Federal Communications Commission shall provide to each recipient of the assistance a notice describing the statement made in subsection (a) by the Congress.

SEC. 6. PROHIBITION OF CONTRACTS.

If it has been finally determined by a court or Federal agency that any person inten-

tionally affixed a label bearing a "Made in America" inscription, or any inscription with the same meaning, to any product sold in or shipped to the United States that is not made in the United States, such person shall be ineligible to receive any contract or sub-contract made with funds provided pursuant to this Act, pursuant to the debarment, suspensions, and ineligibility procedures described in section 9.400 through 9.409 of title 48, Code of Federal Regulations.

MODIFICATION TO AMENDMENT NO. 8 OFFERED BY MR. TRAFICANT

Mr. TRAFICANT. Mr. Chairman, I ask unanimous consent that the amendment be modified with the language at the desk.

The CHAIRMAN. The Clerk will report the modification.

The Clerk read as follows:

Modification to amendment No. 8 offered by Mr. TRAFICANT:

In lieu of the matter proposed to be inserted by the amendment, on page 33 after line 17, add the following:

(4) Impact privatization has had on U.S. industry, U.S. jobs and U.S. industry's access to the global marketplace.

The CHAIRMAN. Is there objection to the modification offered by the gentleman from Ohio (Mr. TRAFICANT)?

There was no objection.

Mr. TRAFICANT. Mr. Chairman, I support this legislation. I want to commend the gentleman from Virginia (Mr. BLILEY), the gentleman from Massachusetts (Mr. MARKEY), and the gentleman from Michigan (Mr. DINGELL), the gentleman from Louisiana (Mr. TAUZIN) regardless of how they feel on the issue.

The time has come for this legislation. I have some concerns. In this legislation is a section that requires annual reports to the Congress of the United States. The contents of those reports are listed to include the following progress with respect to each objective since the most recent preceding report. You see, these reports are to measure whether or not this legislation is meeting the objectives and is carrying out the provisions of its intent.

The first thing the bill calls for is the progress it makes to do that; the second is the views of the respective parties with respect to the privatization issue; finally, the views of the industry and consumers on privatization.

Quite frankly, although I am concerned about the views, my biggest concern is not about anybody's views, my big concern is about the impact this legislation will have on jobs, the United States industry, United States competitiveness, and our access to the global marketplace from a competitive spirit.

The Traficant amendment simply says that there would be another section in this report language that will ask for each year from the President and the Commission to update us on the impact that privatization has had on U.S. industry, United States jobs, and United States industry's access to the global marketplace.

I would hope that the legislation would be accepted. It makes, in my opinion, good sense.
